

2025 HEALINGSTRONG ANNUAL REPORT

NATURAL HEALING SUPPORT IN YOUR
LOCAL AND ONLINE COMMUNITIES

REBUILD. RENEW. REFRESH.

Message from Our Founder

Hello friends,

As we step into 2026, we wanted to pause and share some wonderful news from the past year—and most of all, to say thank you.

We truly could not do what we do without you. Supporting individuals navigating cancer, along with their loved ones and caregivers, is only possible because of faithful partners like you. Since 2013, every dollar given—whether one-time, monthly, or corporate—has helped keep our mission alive: bringing HOPE to those facing a diagnosis by offering love, encouragement, and practical tools that support healing of the body, soul, and spirit.

It's my joy to share this past year's Impact Report with you. Inside, you'll see the many ways HealingStrong is serving around the world—offering free resources, building community, and impacting lives with hope. Your generosity has made an extraordinary difference, and I want you to know how deeply grateful we are. Because of you, countless individuals across the globe have been reminded they are not alone.

"Hope deferred makes the heart sick, but a longing fulfilled is a tree of life." – Proverbs 13:12

We are filled with anticipation for the year ahead. I truly believe 2026 will be our strongest year yet—in service, outcomes, partnerships, group leaders, and shared hope. Thank you for walking this journey with us and for believing in the work God is doing through HealingStrong.

With sincere gratitude,

GROUP LEADERS

The heart of our mission supports Group Leaders around the world. This year, we supported 227 registered Group Leaders.

"I wanted to personally thank you for the impact HealingStrong has had on my life and my family. It has truly given us a new perspective on healing and God's purpose. My wife and I feel so encouraged, and for the first time in a long time, we're confident that we are on the path God has prepared for us."

FINANCIAL POSITION

We are grateful to share that HealingStrong's financial position is strong. Our year-end giving was the highest in our history, thanks in part to the generosity of several donors who participated in a matching gift opportunity. This momentum positions us well as we look ahead, and we anticipate continued strength and stability as we move forward this year.

THANK YOU FOR BRINGING OUR MISSION TO LIFE

As we step into a new year, we want you to know how thankful we are for your continued partnership with HealingStrong. Your support makes it possible for us to equip and strengthen local HealingStrong groups and to walk closely with individuals and families navigating cancer—right where they are.

We are in the trenches with people every day, offering a truly holistic approach to healing—addressing not only nutrition, but also the vital role of the mind, will, and emotions in the healing journey. Because of you, individuals are being empowered to take an active role in their health, hope, and well-being.
